HAYATI CHILDREN'S FOUNDATION VINO FOR BAMBINOS

The ninth annual **Vino For Bambinos** fundraising event and silent auction is taking place on **Thursday, May 26**.

The Hayati Children's Foundation (HCF) is the primary donor for two orphanages in Ajijic, Mexico that house over 100 children. Our monthly support provides the children with nutritious meals, clothing, hygiene products and educational tools. We are excited to announce that HCF will be adding Missoes-nas-Cidades Boy's home in Mozambique and Inn from the Cold in Calgary to our list of children's organizations and HCF is building a program with Inn from the Cold to supply emergency goods / funds for children who have nowhere else to go.

This year's ninth annual Vino for Bambinos will feature tastings from several of Calgary's most popular restaurants and wine retailers including Briggs, Winebar Kensington, Dostana, Fluid Imports, Culligan, The Living Room, Tomatin Whiskey, The Calgary Zoo, Deville, and Modern Steak.

We will also be showcasing live music from local artists (to be announced) and a fantastic silent auction with amazing prizes from donors including Heritage Park, Latitude Art Gallery, Spruce Meadows, Butterfield Acres Farm, The Carriage House Inn, Laser Quest, The Calgary Police, Vine Arts, Good Art Hlywd, and many more to come. This year we have partnered with the Calgary Zoo to increase our fundraising capacity and to bring educational programs to under-privileged children here in Calgary.

Guests will also have access to the Zoo's butterfly exhibit and an educational animal interaction. Early-bird tickets are \$80.00 and 100% of proceeds will go directly to the children supported through HCF's programs. There are also 2 VIP options to choose from. In 2015 our donors and sponsors helped raise over \$30,000.00, and we hope to beat that this year with your help.

Location: Enmax Conservatory, The Calgary Zoo

Time & Date: Thursday, May 26th 6:30-10:30pm
